

PARENT RECOMMENDATIONS

"One of the best decisions you'll ever make."

"As parents concerned about our child's education, we chose LSA because it provides an upbeat, enriching and positive Christian learning environment. The teachers truly care about our children and are enthusiastic and well-informed in their subject areas. Although we belong to a different church, we gladly enrolled our son at LSA for its strong Christian values and standards. We're delighted with his experience!"

"Each day our elementary principal takes time with our students. He knows each child's interests and academic abilities. He listens carefully to each child no matter how busy he might be at the moment. He lets our school children know they are special, and that they matter!"

"Thank you for your faculty's commitment to our daughters. We know it takes a village to raise a child, and we have picked a good village!"

"We love everything about this school!"

Ninety percent of LSA graduates continue their education at the college/university level. Although a majority of graduates choose to attend Adventist institutions, our students are accepted at a wide range of colleges and universities.

Students participate in competitive varsity sports through the California Interscholastic Federation (CIF) sports league. Team sports for boys and girls include softball, baseball, volleyball, basketball, coed soccer and coed track and field. Students focus on personal fitness while developing healthy lifestyle habits.

Co-curricular activities include drama, "Memory Trails" yearbook publishing, school newspaper "Knightly News" journalism, computer technology, symphonic band, jazz band, jazz combo and brass ensemble, concert choir with the elite chorale Delta Mu, National Honor Society, Campus Ministries, Student Association, Mission Service, and Community Outreach.

Off-campus travel tours have included Canada, China, London, Paris, and Washington, D.C.

LSA PROVIDES:

- a Christ-centered learning environment
- progressive curriculum encouraging the highest academic development
- focus on ethical and values-building development
- rigorous programs of college preparatory courses, religious education, community and missions outreach, art, music, athletics and enrichment opportunities
- foundation for a life-long love for learning
